

Well Travelled Clinics - Price List

When comparing our prices with other service providers, please check with them if a prescription fee is payable on top of their prices - this is **not** applicable at our clinics and all prices shown are what you will pay. For information about pre-travel or pre-employment medicals please email: oh@lstmed.ac.uk and we can send you a quote. **Please note all prices are subject to change at short notice.**

For any of the **Specialist Tests*** Please call **0151 705 3223** option 4 before attending to ensure we can provide the specific tests on the day you wish to attend. Also, some tests including the Mantoux test need to be authorised prior to attending by our Doctor.
